Contributor. 5 Answers. Re: How do you work the VES on a 2008 grand caravan. It is the ribbon cable in the first row monitor need to pull it apart and replace dodge does not stand behind this problem and won't issue a recall even though it is very common this van is built to last as long as warranty and that's it it's what we in the biz call a throw away car buy it drive warranty away and dump it sorry guys hell I own one not my best decision.

Hello, We have a Dodge 2008 Grand Caravan. 47K miles. It has been showing the oil indicator light. We top off the oil then the light comes on a week or two later. We have taken it to the dealer and the dealer says that Dodge has noted that it is acceptable that cars under 50k may require a quart of oil every 1000 miles and when they get over 50K to require oil every 750 miles. They have us ...
