Board of Studies - Welcome to Sardar Patel University

The state uses the political means—in other words, force—to plunder and exploit society, which uses the economic means—in other words, cooperation. Thus, for Oppenheimer, the state was the enemy of society. The American individualist Albert Jay Nock was one of the main conduits of Oppenheimer's thought into the United States.

Defining State and Society - Foundation for Economic Education

The California State University (CSU) Board of Trustees voted today to approve an amendment to Title 5 of the California Code of Regulations. This amendment will modify the university's General Education (GE) requirements to include a course addressing ethnic studies and social justice.
