"Right from the start, I was mesmerized by the story line and the characters. Not wanting to put this book down because I so desperately needed to know what was going to happen next. This story is anything but predictable as just when I thought I had it figured out, I was completely taken by surprise. Bouquet Toss is beautifully written and, the characters are so amazing that I felt as though I knew them. The story is, at times, funny and romantic and at other times the most raw, gut wrenchingly beautiful love story I have ever read. I cannot remember the last time I read a novel that moved me to the point of sobbing. If you are looking for a truly amazing book that you will never forget, you must read Bouquet Toss.
