Awards: Winner of British Sports Book Awards: Best Rugby Book 2010 Short-listed for William Hill Sports Book of the Year 2009. Description: 267 p. : map ; 20 cm. Responsibility: John Daniell.

John Daniell is a rugby mercenary. A brutal word for an often brutal game. In 1996, when Rugby Union turned professional, John emigrated to France where he played for a decade in top competitions. His team ricocheted between fear and ecstasy, as they battled to save the club from relegation and their careers from the scrap heap. Now he lifts the lid on the dark world of the journeyman player, where losing a home game is considered a crime, coaches and club owners will do anything to win, and agents ruthlessly manipulate players. His compelling confessions are both shocking and funny, taking you behind the scenes, onto the field and into the very heart of the scrum.

Written by an athlete who has played rugby in France, England, and New Zealand, this unflinchingly honest and hilarious account looks at the current state of international rugby, in particular the changes since the game went professional 10 years ago. This study brilliantly delves into French rugby—a world where a loss at home is considered a crime, matches can get unimaginably brutal, and players face manipulation at the hands of their coaches, managers, and agents.

If you're new to the sport or you feel you could sharpen up your knowledge of the game, this guide is for you. Inside you'll find easy-to-understand advice on the basic rules and pitch positions, plus in-depth lessons on ball skills, fitness training, and techniques to outwit your opponents - all illustrated with entertaining stories from British and International rugby's back pages. In addition, you get a grounding in the local, national and international reaches of Rugby Union Rugby Union For Dummies 3rd Edition: Features an in-depth and up-to-date look at the Laws that form the beautiful game Covers all you will need to know about talking tactics and is perfect for anyone looking at swatting up on rugby for the World Cup and beyond Advises on all you will need to know to get stuck in and play Contains a new chapter on sevens as the sport will be a demonstration sport at London 2012 and a full sport at Rio 2016

In 1995 rugby union finally became a professional sport following more than a century as an amateur game. This book offers a critical analysis of the sport in the professional era and assesses the relationship between the local and the global in contemporary rugby union.

Power and influence in rugby is shifting away from its historical tie to international on-field success, much of it in the southern hemisphere, to the boardrooms of cashed-up, influential rugby clubs in the UK and France. A confused rugby calendar is subjected to a ' land grab ' from clubs and national unions, all striving to maximise revenue. Player welfare concerns are cited by all and sundry, yet are cast aside as soon as there is a dollar to be made. Told through the eyes of rugby identities from around the world, this is a fascinating story of a once staunchly amateur sport now fully engulfed in the clutches of professionalism—the future uncertain and the fabric of ' the game they play in heaven ' straining under the excesses and ambitions of rugby ' s new powerbrokers.

What is the state of rugby? Is the game on the brink of expansion? Or is it on the brink of implosion? No game has undergone so traumatic a transformation since the turn of the century. The last of the major sports to embrace professionalism, rugby was propelled on a trajectory that has twisted its cumbersome frame to the limit in a drama compelling and appalling to behold. After a hundred years defying the future, rugby now shudders with the turmoil of its sudden leap into the modern world, attaining heights hitherto undreamed of, even as the strains - financial, political, social and medical - threaten to tear it apart. With a global focus (and a particular lens on Australasian and South African rugby), Unholy Union is a fascinating and in-depth analysis of the sport, examining the journey so far and speculating on where it will go next. It is irreverent and provocative, asking uncomfortable questions of rugby, but imbued throughout with affection for a game that integrates all human life, as beautiful as it is ugly, as in love with itself as it is terrified. Sports enter periods that make or break them. Rugby is in one now. . .

A celebration of a chef like no other. Join the inimitable Fergus Henderson and Trevor Gulliver as they welcome you into their world-famous restaurant, inviting you to celebrate 25 years of unforgettable, innovative food. Established in 1994, St. JOHN has become renowned for its simplicity, its respect for quality ingredients and for being a pioneer in zero waste cooking – they strive to use every part of an ingredient, from leftover stale bread for puddings, bones for broths and stocks, to typically unused parts of the animal (such as the tongue) being made the hero of a dish. Recipes include: Braised rabbit, mustard and bacon Ox tongue, carrots and caper sauce Duck fat toast Smoked cod ' s roe, egg and potato cake Confit suckling pig shoulder and dandelion The Smithfield pickled cucumbers St. JOHN chutney Butterbean, rosemary and garlic wuzz Honey and bay rice pudding Featuring all the best-loved seminal recipes as well as comprehensive menus and wine recommendations, Fergus and Trevor will take a look back at the ethos and working practices of a food dynasty that has inspired a generation of chefs and home cooks.

From rising South African thriller writer Deon Meyer, a gripping suspense novel about revenge, forgiveness, and the race to catch a trained killer. A young woman makes a terrible confession to a priest. An honorable man takes his own revenge for an unspeakable tragedy. An aging inspector tries to get himself sober while taking on the most difficult case of his career. From this beginning, Deon Meyer weaves a story of astonishing complexity and suspense, as Inspector Benny Griessel faces off against a dangerous vigilante who has everything on his side, including public sympathy. A gruesome abuse case has hit the newsstands, and one man has taken it upon himself to stand up for the children of Cape Town. When the accused is found stabbed through the heart by spear, it's only the beginning of a string of bloody murders - and of a dangerous dilemma for detective Griessel. The detective is always just one step behind as someone slays the city's killers. But the paths of Griessel and the avenger collide when a young prostitute lures them both into a dangerous plan - and the two find themselves with a heart-stopping problem that no system of justice could ever make right.

"In my late thirties, it gradually dawned on me that I had become Jason ' s regular hooker. It was an arrangement that worked well for a couple of reasons. He didn ' t need me to dress up in anything particularly risqu é or to do anything too vulgar, other than cuddle in the middle of a field with him and fourteen other men on a Saturday afternoon." Steven Gauge ' s response to an impending midlife crisis didn ' t involve piercings, tattoos or a red sports car – instead, he decided to take up rugby. What he found on the pitch was a wonderful game, far removed from the professional televised glamour of international rugby, where ordinary blokes with ordinary jobs (and some extraordinary bellies) get together once in a while and have a great time rolling around in the mud. By the end of his first few seasons, Steven had cracked his nose and various other parts of his anatomy – but he had cracked the game too, and found a place in the club as Captain of the Fourths.

From the playground to the boardroom, this lexicon of bad language makes, arguably, a more important contribution to the everyday vocabulary of the British Isles than the Oxford dictionary. Now, with over 10,000 entries, this edition features the latest in expletives, sexual obscenities and lavatorial euphemisms.
