Before coming to grips with an individual verse or passage in the New Testament, Bible students and expositors must understand how it relates to the theme of the book. This nontechnical survey offers readers a working understanding of the New Testament by providing the theological tools necessary to synthesize biblical passages into themes. It incorporates historical and cultural backgrounds without becoming a book on manners and customs and deals with the actual text of Scripture without becoming a verse-by-verse commentary. Pictures, charts, and outlines aid comprehension. This classic text, which has served students well for many years, is now available in paperback.

What inspires you? A personal motto? A quote that directs your daily life? The letters written by the apostle John and Jude focused on two simple words that define our life and permeate our actions: love and truth. These letters are full of insights and direction along with warnings and encouragement . . . all based on these two words. These words remind us that God supplies all we need. That there is a real purpose to generosity. That there are times to be tolerant and times to take a stand. That faith includes certainties. Love and truth remind us of the life-changing power in the gospel message. Want a guide to how to live? Study John and Jude's letters of love and truth. The Life Lessons with Max Lucado series brings the Bible to life in twelve lessons filled with intriguing questions, inspirational stories, and poignant reflections to take you deeper into God's Word. Each lesson includes an opening reflection, background information, an excerpt of the text (from the New International and New King James versions), exploration questions, inspirational thoughts from Max, and a closing takeaway for further reflection. The Life Lessons series is ideal for use in both a small-group setting or for individual study.

This easy-to-read harmony of the gospels contains brief commentary with the text. Scripture is not reprinted in the commentator's notes.

Consistent daily prayer is possible with help from this program that divides an hour of prayer into five-minute "points of focus."

The Old Testament prophets spoke to Israel in times of historical and moral crisis. They saw themselves as being a part of a story that God was weaving throughout history--a story of repentance, encouragement, and a coming Messiah. In this updated introductory book, each major and minor prophet and his writing are clustered with the major historical events of their time. Our generational distance from the age of the prophets might seem to be a measureless chasm. Yet we dare not make the mistake of assuming that passing years have rendered irrelevant not only the Old Testament prophets, but also the God who comprehends, spans, and transcends all time. In these pages, C. Hassell Bullock presents a clear picture of some of history's most profound spokesmen--the Old Testament prophets--and the God who shaped them.

With an uninterrupted printing history since it was first published in 1939, this classic interpretation of the book of Revelation has served as a solid resource and source of inspiration for generations. Using sound principles of interpretation, William Hendriksen unfolds the mysteries of the apocalypse gradually, always with the purpose of showing that "we are more than conquerors through Christ." Both beginning and advanced students of the Scriptures will find here the inspiration to face a restless and confusing world with a joyful, confident spirit, secure in the knowledge that God reigns and is coming again soon. This edition features a newly designed interior layout.

"The Bible is what God has made. Sermons are what we make with what God has made." This is the foundation for developing expository messages, according to Ramesh Richard. His method, explained in Preparing Expository Sermons, has been field-tested in training seminars for thousands of preachers around the world. Richard's book is a simple do-it-yourself resource for developing and preaching expository sermons. It guides the reader through a seven-step process, with many practical suggestions and illustrative charts along the way. In addition, there are eleven appendixes that include information on: o how to choose a text o preaching narratives o understanding your audience o forms of sermon introduction A comprehensive sermon evaluation questionnaire is included as well. Preparing Expository Sermons, an updated and expanded version of Scripture Sculpture, is ideal for beginning preachers, lay preachers without formal training, or any pastor who is looking for a refresher course in expository sermon preparation.

Provocative and passionate meditations for each day of the year on life's most important subject.

Friede Taylor has lived a life that legends spring from. Born in Czechoslovakia during WWII, she was left to die as a child because of the deprivations of the war. A nurse took her family into her home and saved Friede's life by giving her transfusions of her own blood. A member of the dreaded Waffen-SS and a prisoner of war, Friede's father took his own life after the war, having never told her he loved her. She married a serviceman and moved to Georgia at 19. Following the suicide of her oldest son, she had an "open-heaven" experience that assured her that God would provide for and protect her. She was widowed after 30 years. God continued to move in Friede's life, eventually leading her to marry Jack Taylor after a brief courtship. She now travels and ministers with her husband around the world. This is Friede's first book and it chronicles a life of purpose protected by God. Read Friede's story to be inspired to thrive, not just survive. God has a plan for you. Her testimony declares that a life lived by faith always overcomes! Friede Taylor is a force to be reckoned with! If you have had the privilege to know her, you know what I mean. Once you read her story, you will know why. Sounding more like a Hollywood screenplay, this book shares the candid and personal account of how "one solitary woman" overcame intense rejection and horrendous loss only to survive and thrive, bathed in the glory of the love of God. This is the stuff heroes are made of. Set in one of the most tumultuous places on earth in one of the most horrific times in history, this book is the authentic account of a woman, wife, and daughter who has been watched over by her heavenly Father since she was born. You will be amazed and encouraged as you read how the Father can and will do the same for you." Tim P. Taylor, Author, Publisher, and proud stepson
