New General Knowledge Today is a series of 9 books for classes pre-primary to 8. This revised series has been designed to make classroom learning more interesting and interactive and the child is tuned in to the latest developments around the world.

What is it that we as a nation are missing? Why, given all our skills, resources and talents, do we settle so often for the ordinary instead of striving to be the best? At the heart of Ignited Minds is an irresistible premise: that people do have the power, through hard work, to realize their dream of a truly good life. Kalam 's vision document of aspiration and hope motivates us to unleash the dormant energy within India and guide the country to greatness.

Grammar Works 2 provides upper-elementary grammar practice for young students. For students from 10-12 years upwards, Grammar Works is a series of three lively, colourful workbooks designed to supplement and consolidate the grammar content of a course book. This book is ideal for teachers' teaching at Level 1.

GK Joyride series for classes 1 through 8 renews the relevance of General Knowledge in the age of the Internet, social media platforms and information overload. Remaining strongly rooted in the tenets of the National Curriculum Framework, it also acknowledges the changing terrain of knowledge acquisition.

100's of Q's with answer Chapterwise Practice Q's Revision Q's Sample Paper New! updated questions Workbook must for schools student preparing for International General Knowledge Olympiad (IGO) conducted by EHF Eduheal Foundation and other national/international olympiad/talent search exams. Based on CBSE, ICSE, GCSE, State Board Syllabus & NCF (NCERT)

The Merchant of Venice has been performed more often than any other comedy by Shakespeare. Molly Mahood pays special attention to the expectations of the play's first audience, and to our modern experience of seeing and hearing the play. In a substantial new addition to the Introduction, Charles Edelman focusses on the play's sexual politics and recent scholarship devoted to the position of Jews in Shakespeare's time. He surveys the international scope and diversity of theatrical interpretations of The Merchant in the 1980s and 1990s and their different ways of tackling the troubling figure of Shylock.
