Cheng & Tsui's best-loved Chinese textbook series is new, revised, and better than ever!

A complete beginning-level course for spoken Mandarin Chinese designed to have you talking quickly and accurately! The Basic Mandarin Chinese series offers a complete introductory Chinese language course specifically designed for native English speakers. These books teach spoken and written Chinese separately, allowing you to focus on the area most important to you, and to learn the spoken and written forms of Chinese at different speeds depending on your available time and interest. The free audio and video recordings included with this book reinforce the content and make the learning process easy. No matter whether you're learning Mandarin for work, travel or other reasons—the Basic Mandarin Chinese approach of having two separate but integrated "tracks" helps you to learn the language more efficiently and more successfully. Key features of this Chinese textbook and discs include: Clear and detailed pronunciation, grammar and cultural explanations Exercises and activities based on real-life experiences in China Hours of video recordings filmed on location featuring dozens of native speakers in various parts of China and beyond Six hours of native-speaker audio recordings for all the book's dialogues and exercises Special software allowing you to interact with the recordings. This Mandarin textbook is designed to be used with its separately available workbook, Basic Mandarin Chinese—Speaking & Listening Practice Book which provides a range of drills and exercises designed to dramatically enhance your spoken proficiency and improve your Chinese language skills.

Modern Mandarin Chinese is a two-year undergraduate course for students with no prior background in Chinese study. Designed to build a strong foundation in both the spoken and written language, it develops all the basic skills such as pronunciation, character writing, word use, and structures, while placing a strong emphasis on the development of communicative skills. Each level of the course consists of a textbook and workbook in simplified Chinese. A free companion website provides all the audio for the course with a broad range of interactive exercises and additional resources for students' self-study, along with a comprehensive instructor's guide with teaching tips, assessment and homework material, and a full answer key. Key changes to this new edition: An increased number of vocabulary and characters introduced. 255 characters are introduced in this second edition for active production. Dialogues and example sentences are also presented in full-character format for passive recognition, and to provide additional challenge for more advanced students. Additional exercises in the workbooks and online to support the expanded number of words and characters incorporated into the textbooks. New cross-references between the textbooks, workbooks and companion website facilitate using all the resources in an integrated manner. Greatly enhanced and re-designed website. Retaining its focus on communicative skills and the long-term retention of characters, the text is now presented in simplified characters and pinyin from the outset with a gradual and phased removal of pinyin as specific characters are introduced and learnt. This unique approach allows students to benefit from the support of pinyin in the initial stages as they begin speaking while ensuring they are guided and supported towards reading only in characters.
