There are more than 100 easy recipes, including all our winter favourites plus everything you need for a traditional British Halloween, Bonfire Night, Christmas and New Year. Easy-to-follow time plans for Christmas Day and New Years Day will take the stress out of preparing meals for your family and friends, and James guides you carefully through the seasons trickiest techniques, such as icing the Christmas cake. James includes recipes for traditional favourites and for dishes we have adopted as our own in recent years, such as trifle, stollen, and biscotti.

Following on from his triumphant TV shows and books James Martin's American Adventure and James Martin's French Adventure, our food hero comes home and brings us what he does best in James Martin's Great British Adventure. The book sees James travel from coast to coast, cooking and eating everywhere from Whitby to Snowdonia, Bristol to Belfast, and Orkney to Land's End. On the way he cooks classic British dishes alongside some more surprising recipes, all with the best ingredients this small island has to offer. It's the culinary journey that's right on your doorstep and here are recipes from the series, along with exclusive photography from behind the scenes on James's extraordinary food trip.

Imagining Slaves and Robots in Literature, Film, and Popular Culture: Reinventing Yesterday's Slave with Tomorrow's Robot is an interdisciplinary study that seeks to investigate and speculate about the relationship between technology and human nature through popular culture. Imagining Slaves and Robots in Literature, Film, and Popular Culture seeks to gain a better understanding of how slaves are created and justified in the imaginations of a supposedly civilized nation. It is a timely and creative analysis of the ways in which we domesticate technology and the manner in which the history of slavery continues to be utilized in contemporary society.
