**Thomas**  
In this popular bestselling book (with more than 500,000 copies sold), Gary Thomas uncovers how your marriage can become a doorway to a closer walk with God and each other. Happy is good. But holy is better. Your marriage is more than a sacred covenant with another person. It is a spiritual discipline designed to help you know God better, trust him more fully, and love him more deeply. What if God's primary intent for your marriage isn't to make you happy . . . but holy? Sacred Marriage doesn't just offer techniques to make a marriage happier. It does contain practical tools, but what married Christians most need is help in becoming holier husbands and wives. Sacred Marriage offers that help with insights from Scripture, church history, time tested wisdom from Christian classics, and examples from today's marriages. Sacred Marriage reveals how marriage trains us to love God and others well, how it

# Download Ebook Sacred Marriage Celebrating As A Spiril Discipline Gary L

Thomas exposes sin and makes us more aware of God's presence, how good marriages foster good prayer, how married sex feeds the spiritual life, and more. The revised edition of Sacred Marriage takes into account the ways men's and women's roles have expanded since the book was first written. It has been streamlined to be a faster read without losing the depth that so many readers have valued. Sacred Marriage uncovers the mystery of God's overarching purpose. This book may very well alter profoundly the contours of your marriage. It will most certainly change you. Because whether it is delightful or difficult, your marriage can become a doorway to a closer walk with God, and to a spiritual integrity that, like salt, seasons the world around you with the savor of Christ. Also available: Sacred Marriage gift edition, small group video study and study guide, Spanish edition, and more.

For years, Christians have been told that sex is God's creation, designed by him as a gift to husbands and wives. Yet few couples actually experience sex as a spiritual, God-ordained experience. Rather than admit their lack of fulfillment, many couples hide their disappointment and confusion, while others attempt to solve the problem through better sexual technique. Unfortunately, all the advice on improved technique fails to explain the one thing that makes sense of it all. Despite the proliferation of resources to enhance sexual satisfaction, couples continue to struggle in their sexual relationship. In fact, author and licensed counselor Tim Gardner estimates that as few as 2 percent of married couples ever experience a truly exciting, energizing, and soul-touching physical bond. But now, that can change. A couple's sexual relationship has a

## Download Ebook Sacred Marriage Celebrating As A Spiril Discipline Gary L

far higher purpose than pleasure or procreation. Scripture makes it clear that sex is the one thing on earth that joins two people into one. Now readers can learn how to approach marital sex in a way that brings the fulfillment of true oneness. Sacred Sex shows how they can experience a beautiful, God-ordained life of intimacy that blesses them far beyond the bedroom walls, serves as an act of worship to God, and touches their hearts and souls in ways they never could have imagined.

Deepen your relationship with your partner through honoring the Goddess and God within each of you. Follow a step-by-step plan to build a sacred relationship via meditating, celebrating life's cycles, practicing sacred sexuality and more. Includes over a dozen beautiful Wiccan rituals written especially for couples, including

The traditional concept of sacred marriage, but the plural form, “sacred marriages,” gives the reader an idea that something more is at stake here than a monomaniacal idea of manifestations deriving from a single prototype. Following the guidelines of one of the contributors, Ruben Zimmermann, the editors tentatively define “sacred marriage” as a “real or symbolic union of two complementary entities, imagined as gendered, in a religious context.” “Sacred marriages” (plural), then, refers to various expressions of this kind of union in different cultures that seek to overcome, to cite Zimmermann again, “the great dualism of human and cosmic existence.” The subtitle indicates that the contributors are primarily interested in different aspects of the divine-human sexual metaphor—that is, the imagining and reenactment of a gendered relationship between the human and divine worlds. This

## Download Ebook Sacred Marriage Celebrating As A Spiril Discipline Gary L

Thomas, which is essentially about relationship rather than sexual acts, can find textual, ritual, mythical, and social expressions in different times and places. Indeed, the sacred marriage ritual itself should be considered not a manifestation of the “sacralized power of sexuality experienced in sexual intercourse” but one way of objectifying the divine-human sexual metaphor.

What if God designed marriage to make us holy more than to make us happy? By popular demand the author of Sacred Marriage returns to the topic of how God uses marriage to expand our souls and make us holy. Devotions for a Sacred Marriage explores how God can reveal Himself to you through your marriage and help you grow closer to Him as well as to your spouse. Fifty-two weekly devotions encourage couples to build a marriage around God’s
