Tom Dolby's new series from HarperCollins, Secret Society, debuted in October 2009, and includes the novels Secret Society and The Trust. Tom is the author of the bestselling novel The Trouble Boy and the boarding school novel The Sixth Form. His writing has appeared in The New York Times, The Village Voice, and the San Francisco Chronicle.

Secrets, secrets are no fun. Secrets, secrets hurt someone. . . . An eccentric new girl. A brooding socialite. The scion of one of New York's wealthiest families. A promising filmmaker. As students at the exclusive Chadwick School, Phoebe, Lauren, Nick, and Patch already live in a world most teenagers only dream about. They didn't ask to be Society members. But when three of them receive a mysterious text message promising success and fame beyond belief, they say yes to everything—even to the harrowing initiation ceremony in a gritty warehouse downtown and to the ankh-shaped tattoo they're forced to get on the nape of their necks. Once they're part of the Society, things begin falling into place for them. Week after week, their ambitions are fulfilled. It's all perfect—until a body is found in Central Park with no distinguishing marks except for an ankh-shaped tattoo. Tom Dolby makes his teen ficton debut with this riveting novel about a dangerous society so secret that once you get in, you can never get out.

Who can you trust when everything is secrets and lies? It's a new semester at the Chadwick School, and even with the ankh tattoos that brand them, Phoebe, Nick, Lauren, and Patch are hoping for a fresh start. Each day, however, they are reminded of their membership as new Conscripts in the Society. The secret group that promised to help them achieve their every dream has instead turned their lives into a nightmare. Exclusive membership lost its luster as the Society revealed its agenda to them and two of their classmates were found dead. Now they can't help but wonder: Who's next? While they search for the elusive truth about the Society, the Conscripts are forced to face their darkest fear—that they truly can't get out. Will Nick and Phoebe's new relationship endure this strain? Can Patch and Nick's longtime friendship survive the truth that will come to light? The deceptions of the group's leaders, once trusted friends, and family will test these four as they fight to leave the Society behind. The Trust, Tom Dolby's sequel to secret society, is an alluring glimpse behind the facade of a life of entitlement, where secrets aren't merely fun—they're deadly.

Many children learn from a young age to tell the truth. They also learn that some lies are necessary in order to survive in a world that paradoxically values truth-telling, but practises deception. This book examines this paradox by considering how deception is often a necessary means of survival for individuals, families, governments, and animals.

In the tradition of Bright Lights, Big City and Less Than Zero, Tom Dolby has written a searing debut novel about going after what you really want without losing yourself in the process. Powerfully written, keenly felt, The Trouble Boy heralds an exciting new voice in fiction. "This is about fame and celebrity and the lengths to which people will go to have a taste of it. . ." At twenty-two, Toby Griffin wants it all—fame, fortune, an Oscar-winning screenplay and a good-looking boyfriend by his side. For now, what he's got is a freelance writing job at a tanking online magazine, a walk-up sublet in the East Village and "the boys," a young posse of preppy Upper East Siders with a taste for high fashion, top-shelf liquor and other men. But for Toby, downing vodka cranberries and falling in and out of lust with a series of guys he knows as Subway Boy, Loft Boy and Goth Boy is getting old. That all changes when Toby gets the chance of a lifetime—working as a personal assistant to hip, ruthless film mogul, Cameron Cole. In this decadent, drug-fueled world of VIP lounges, endless networking and relentless hype, Toby discovers that nothing is what is seems and that anything and anyone can be spun into PR gold. Though he's making friends with all the right people, Toby realizes that succeeding in Manhattan isn't as easy as he thought—until the one tragic night that changes his future forever and puts him in a position of power he never could have imagined. But with Toby's name suddenly becoming Page Six material, his life is coming unglued. And as his professional contacts betray him and his friends reveal troubling secrets, his choices become that much harder—and that much more important. Now, in his first year on his own, Toby Griffin is about to learn the price of getting everything he ever wanted. "What really makes Toby's world so familiar—along with the author's lively, often-hilarious eye for even the most mundane social details—is the crisp prose and the snappy story." -- The San Francisco Chronicle

The first time she is blindfolded and kidnapped, star-athlete and posh boarding school newbie Sadie is terrified. She wakes up in a dark room surrounded by hushed whispers, hooded strangers, and a mysterious voice whispering not-so-sweet notions in her ear. But once the robes come off, she realizes it's just an elaborate prank designed to induct her into the group that's been pulling the strings at Keating Hall for generations. The circle has all--incredible connections; fabulous parties; and, of course, an in with the brother society's gorgeous pledges. The instant popularity is enough to make Sadie forget about the unexplained marks on her body, the creepy ceremonial rituals, and the incident that befell one of her teammates the year before. So the next time Sadie is kidnapped, she isn't scared, but she should be. The worst of Keating Hall is yet to come.

A literary celebration of one of the most important relationships in a straight girl's life—her gay best friend This collection of original essays goes beyond the banter to get to the essence of an intimate relationship like no other. With a foreword by Tales of the City author Armistead Maupin, Girls Who Like Boys Who Like Boys brings together pieces by National Book Award winner Andrew Solomon (The Noonday Demon), novelist Gigi Levangie Grazer (The Starter Wife), Barneys New York creative director Simon Doonan (Nasty), and many others from all walks of life. In addition to stories of gays and gals bonding over brunch, these essays chronicle love and lust, infatuation and heartbreak, growing up and coming out, and family and children. With genuine warmth, this definitive anthology proves that more durable than diamonds, straight women and gay men are each other's true best friends.

When seventeen-year-old Ethan Whitley attends an elite New England prep school, he is invited into a world of privilege and desire where he discovers the price of betrayal when he is drawn into an investigation of the death of another student.

The remarkable story of rising to the top of the music charts, a second act as a tech pioneer, and the sustaining power of creativty and art. Thomas Dolby's hit songs "She Blinded Me with Science" and "Hyperactive!" catapulted him to international fame in the early 80's. A pioneer of New Wave and Electronica, Thomas combined a love for invention with a passion for music, and the result was a new sound that defined an era of revolutionary music. But as record company politics overshadow the joy of performing, Thomas finds a surprising second act. Starting out in a rat-infested London bedsit, a teenage Thomas Dolby stacks boxes by day at the grocery and tinkers with a homemade synthesizer at night while catching the Police at a local dive bar, swinging by the pub to see the unknown Elvis Costello and starting the weekend with a Clash show at a small night club. London on the eve of the 1980s is a hotbed for music and culture, and a new sound is beginning to take shape, merging technology with the musical energy of punk rock. Thomas plays keyboards in other bands' shows, and with a bit of luck finds his own style, quickly establishing himself on the scene and recording break out hits that take radio, MTV and dance clubs by storm. The world is now his oyster, and sold out arenas, world tours, even a friendship with Michael Jackson become the fabric of his life. But as the record industry flounders and disillusionment sets in, Thomas turns his attention to Hollywood. Scoring films and computer games eventually leads him to Silicon Valley and a software startup that turns up the volume on the digital music revolution. His company barely survives the dotcom bubble but finally even the mavericks at Apple, Microsoft, Netscape and Nokia see the light. By 2005, two-thirds of the world's mobile phones embed his Beatrix software. Life at the zenith of a tech empire proves to be just as full of big personalities, battling egos and roller-coaster success as his days spent at the top of the charts. THE SPEED OF SOUND is the story of an extraordinary man living an extraordinary life, a single-handed quest to make peace between art and the digital world.

Chronicles the picturesque adventures and romantic misadventures of Nan King, a onetime oyster girl from a provincial seaside town who follows a local music hall star to the gay and lesbian world of late Victorian London. Reprint.

Enjoying fast-paced lives at the sides of some of society's wealthiest men, Celess and Tina share a dangerous secret that puts their street smarts to the test. A first novel. Reprint.
