by. Anastasia Hopcus (Goodreads Author) 3.67 · Rating details · 3,652 ratings · 459 reviews. After her sister Athena's tragic death, it's obvious that grief-stricken Persephone "Phe" Archer no longer belongs in Los Angeles. Hoping to make sense of her sister's sudden demise and the cryptic dreams following it, Phe abandons her bubbly LA life to attend an uptight East Coast preparatory school in Shadow Hills, MA -- a school which her sister mysteriously mentioned i.

~~Shadow Hills (Shadow Hills, #1) by Anastasia Hopcus~~

Zach Redford is sweet and handsome and Phe suspects he knows a lot more about her connection to Shadow Hills than he is willing to tell her. Shadow Hills is an intriguing blend of gothic horror novel, mystery and tender romance. Ms. Hopcus does an excellent job providing just enough information in each chapter to make the reader feel as if they are learning something and to keep the story progressing, but she also manages to hold some revelations back for the novel's dramatic ending.

When Wayland North brings rain to a region that's been dry for over ten years, he's promised anything he'd like as a reward. He chooses the village elder's daughter, sixteen-year-old Sydelle Mirabel, who is a skilled weaver and has an unusual knack for repairing his magical cloaks. Though Sydelle has dreamt of escaping her home, she's hurt that her parents relinquish her so freely and finds herself awed and afraid of the slightly ragtag wizard who is unlike any of the men of magic in the tales she's heard. Still, she is drawn to this mysterious man who is fiercely protective of her and so reluctant to share his own past. The pair rushes toward the capital, intent to stop an imminent war, pursued by Reuel Dorwan (a dark wizard who has taken a keen interest in Sydelle) and plagued by unusually wild weather. But the sudden earthquakes and freak snowstorms may not be a coincidence. As Sydelle discovers North's dark secret and the reason for his interest in her and learns to master her own mysterious power, it becomes increasingly clear that the fate of the kingdom rests in her fingertips. She will either be a savior, weaving together the frayed bonds between Saldorra and Auster, or the disastrous force that destroys both kingdoms forever. From the Hardcover edition.

Depuis la mort de sa soeur jumelle, Perséphone est hantée par d'étranges visions. Déterminée à en savoir plus, elle se rend à Shadow Hills, la ville de ses cauchemars. Une école mystérieuse, des étudiants aux capacités psychiques hors du commun... Quels sombres secrets cachent les habitants ? Perséphone en est persuadée : l'histoire de ce lieu est liée à la disparition brutale de sa soeur. Mais la jeune fille n'est pas au bout de ses surprises.

"Fate is determined to lead me through my family line to become a hot-blooded animalA[a→A]but I choose to be with you

forever--human or not? We can fight this, but I need your help." When sixteen-year-old Annabelle finds her world crumbling in on her, can the world through the tree truly be the answer? When she's finally found love and a new life to better her outcome, she is thrown back through hurtling twists and turns of reality. It was love that nearly killed her, so can love save her again while she fights amongst the cold-blooded taking fate dead on? Can her plans on reversing her family tree and leading the kingdom to victory once and for all begin their debut, or will she find herself under the grasp of hot hands again, talons gripping at her throat for the oracle she's determined to protect?

Amanda Hocking is an indie publishing sensation whose self-published novels have sold millions of copies all over the world, and *Switched* is the book that started the phenomenon. Prepare to be enchanted... When Wendy Everly was six years old, her mother was convinced she was a monster and tried to kill her. Eleven years later, Wendy discovers her mother might have been right. She's not the person she's always believed herself to be, and her whole life begins to unravel—all because of Finn Holmes. Finn is a mysterious guy who always seems to be watching her. Every encounter leaves her deeply shaken...though it has more to do with her fierce attraction to him than she'd ever admit. But it isn't long before he reveals the truth: Wendy is a changeling who was switched at birth—and he's come to take her home. Now Wendy's about to journey to a magical world she never knew existed, one that's both beautiful and frightening. And where she must leave her old life behind to discover who she's meant to become... As a special gift to readers, this book contains a new, never-before-published bonus story, "The Vittra Attacks," set in the magical world of the Trylle.

After witnessing the firebombing of the bar where she works, clairvoyant Sookie Stackhouse has her attention diverted when she realizes her vampire lover, Eric Northman, and his "child," Pam, are

plotting to kill the vampire who is now their master.

After her sister Athena's tragic death, it's obvious that grief-stricken Persephone "Phe" Archer no longer belongs in Los Angeles. Hoping to make sense of her sister's sudden demise and the cryptic dreams following it, Phe abandons her bubbly LA life to attend an uptight East Coast preparatory school in Shadow Hills, MA -- a school which her sister mysteriously mentioned in her last diary entry before she died. Once there, Phe quickly realizes that something is deeply amiss in her new town. Not only does Shadow Hills' history boast an unexplained epidemic that decimated hundreds of its citizens in the 1700s, but its modern townies also seem eerily psychic, with the bizarre ability to bend metal. Even Zach -- the gorgeous stranger Phe meets and immediately begins to lust after -- seems as if he is hiding something serious. Phe is determined to get to the bottom of it. The longer she stays there, the more she suspects that her sister's untimely death and her own destiny are intricately linked to those who reside in Shadow Hills.

Zack Dylan has a dream. He wants to sing on the biggest stages, for the biggest crowds, and he'll do whatever it takes to make it come true. But Zack also made a promise to his college sweetheart when he left Kentucky to compete on the popular TV show Fifteen Minutes: If he made it, nothing would change him or his faith in God. Overnight, Zack becomes the nation's most popular contestant, a country singer comparable to a young Tim McGraw. As his star rises, Zack is often asked to compromise and quiet his beliefs. Just as he's on the verge of winning it all, his choices lead him to the brink of personal disaster. Meanwhile, a former Fifteen Minutes winner is searching for meaning amidst her own private losses. Can she warn Zack about the real price of fame? Or will Zack lose everything he loves for his fifteen minutes of glory?

Seventeen-year-old Dylan Dawson is trying to pull his life together

after his release from juvenile hall. But going straight isn't easy, and Dylan just can't seem to keep out of trouble. His problems escalate fast, and soon he has no choice but to hit the road, even though it means leaving behind the girl of his dreams. He heads south for Texas, on the run and in search of his father. (Dylan has no idea how his life became such a mess, but he knows that his dad is at the root of it.) When Dylan finds him, he certainly gets answers—but they're answers to questions he wishes he'd never asked.

Kate is at a loss. She meets a boy with curious powers and a bizarre history - but he thinks he is very ordinary. How can she convince him that he has a gift, a gift that he must use to unravel mysteries that have hung over his family for generations? And even if she does persuade him, will his talents prove powerful enough to overcome what lies ahead?

"Wonderfully talented writing; funny." —Orson Scott Card, New York Times Bestselling Author of Ender's Game  
When eleven-year-old Guster Johnsonville rejects his mother's casserole for the umpteenth time, she takes him into the city of New Orleans to find him something to eat. There, in a dark, abandoned corner of the city, they meet a dying pastry maker. In his last breath, he entrusts them with a secret: an ancient recipe that makes the most delicious taste the world will ever know—a taste that will change the fate of humanity forever. Forced to flee by a cult of murderous chefs, the Johnsonvilles embark on a perilous journey to ancient ruins, faraway jungles and forgotten caves. Along the way, they discover the truth: Guster is an Evertaster—a kid so picky that nothing but the legendary taste itself will save him from starvation. With the sinister chefs hot on Guster's heels and the chefs' reign of terror spreading, Guster and his family must find the legendary taste before it's too late.
