church planting, while providing encouragement and inspiration for the journey. "Sifted" is based on Jesus' encouragement to Peter in Luke 22 to keep his faith and minister to others from his weakness. An experienced practitioner, Wayne shares the things he wishes he'd known when he was starting a new church. With additional stories from other prominent, seasoned leaders, each chapter includes a thought provoking, challenge question to develop a heart that is surrendered to God, focused on "being and becoming" versus "doing and accomplishing." Wayne writes about a healthy integration and balance of personal care and leadership amidst the difficulties of the church planting journey. Loneliness and

Discouragements are normal in church planting, but God cares more about our journey of faith and who we are becoming than our worldly accomplishments and the churches we build. Church planting is an ongoing process of surrender, personal growth and character development. The book will challenge leaders to persevere and rededicate themselves to their calling, their marriage, and their family. Instead of a “how to” book on models and methods, this is a combination of a self-assessment book that challenges leaders’ scorecards of success, encourages leaders to realize that they are not alone in what they are experiencing, and provides wisdom for the long haul to position younger leaders for a life

Wayne Cordeiro found himself paralyzed by burnout. He had been in ministry for 30 years, and 10 years after founding what is now the largest church in Hawaii, he found himself depleted. Wayne took a season out of his growing ministry to recharge and refocus on the truly important. He was able to get back in touch with his life, get back in proper balance, and re-energize his spirit through Christ in a way that propelled him forward to greater levels of service. Wayne first gave this message at a recent Willow Creek Leadership Summit, where it was the highest-rated presentation by those in attendance. Pulling no punches, Wayne talks about the walls leaders must

Christianity is messy. Unanswered prayers. Painful choices. Unresolved regrets. We're called to have faith, and yet we doubt. We try to be perfect, but we fall short. This is the chaos. It's all around us. There's no limit to it. And there's no quick fix for it. Both annoyingly honest and refreshingly humorous, Messy reassures Christians that God can reveal Himself in their clutter. Author and pastor A.J. Swoboda offers biblical insight and vivid, personal stories to redefine faith from something that must be perfect to something that is imperfect, but can still give beauty,
