After Pearl Harbor, the lives of eleven Montana college football teammates are changed forever in an “intensely suspenseful and moving” novel (Scott Turow). In the early 1940s, the starting lineup of Treasure State University’s football team are local heroes. But as America is pulled into World War II, they feel called to become heroes of another kind. Now, ten of them are scattered around the globe in the war’s lonely and

dangerous theaters. The eleventh man, Ben Reinking, has been plucked from pilot training by a military propaganda machine. He is to chronicle the adventures of his teammates, man by man, for publication in small-town newspapers across the country like the one his father edits. Ready for action, Reinking chafes at the assignment—not knowing that it will bring him love from an unexpected quarter and test the law of averages, which holds that all but one of his teammates should come through the conflict unscathed . . .

and a passionate, portrayal of the immigrants who dared to try new lives in the imposing Rocky Mountains. Ivan Doig's supple tale of landseekers unfolds into a fateful contest of the heart between Anna Ramsay and Angus McCaskill, walled apart by their obligations as they and their stormy kith and kin vie to tame the brutal, beautiful Two Medicine country.

Ivan Doig ' s companion memoir to his bestselling *This House of Sky*—inspired by the letters his mother wrote during World War II—is “ a lyrical evocation of the Doigs ' gallantly hardscrabble existence and love for the unforgiving Montana mountains ” (San Francisco Chronicle). Raised by his father and maternal

grandmother, Ivan Doig grew up with only a vague memory of his mother, who died on his sixth birthday. Then he discovered a cache of her letters, and through them, a spunky, passionate, can-do woman emerged. His mother was as at home in the saddle as behind a sewing machine, and as in love with language as her son. In this prize-winning prequel to his acclaimed memoir *This House of Sky*, Doig brings to life his childhood before his mother's death, and the family's journey from the Montana mountains to the Arizona desert and back again. "Profoundly original and lustrous," (Kirkus Reviews) Doig eloquently captures the texture of the American West during and after World War II, the fortune of a family, and one woman's

indomitable spirit. Doig is “ a colloquial stylist without equal...and Heart Earth is a book that repeatedly proves the power of language ” (Los Angeles Times).

Running a venerable bar in 1960 Montana while raising his 12-year-old son, single father Tom Harry finds his world upended by the arrival of a woman from his past and her beatnik daughter, who claims Tom as her father and upends the town with her passionate and pretentious modern views. By the National Book Award finalist author of *Work Song*.

family and their alluring Two Medicine country along the hem of the northern Rockies. Jick McCaskill, the illustrious narrator of English Creek, returns as the witty and moving voice in this classic encounter with the American road and all the rewards and travails it can bring. Jick faces his family's—and his state's—legacy of loss and perseverance from the vantage point of Montana's centennial in 1989 when his daughter Mariah enlists him as Winnebago chauffeur to her and her ex-husband, the magnificently ornery and eloquent columnist Riley Wright, when their news-paper dispatches them to dig up stories of the "real Montana." Just as the centennial is a cause for reflection as well as jubilation, the exuberant travels of this trio bring on

encounters with the past in "memory storms" that become occasions for reassessment and necessary accommodations of the heart.

In 1919, itinerant schoolteacher Morrie Morgan journeys to Butte in the hopes of making his fortune in copper mining but finds instead a rich assortment of local characters before an encounter with a former student leads to a violent union uprising.

National Book Award Finalist: A "beautifully written, deeply felt" memoir about growing up in the American West (Los Angeles Times). Ivan Doig grew up in the rugged wilderness of western Montana among the

shepherders and denizens of small-town saloons and valley ranches. What he deciphers from his past with piercing clarity is not only a raw sense of land and how it shapes us, but also of the ties to our mothers and fathers, to those who love us, and our inextricable connection to those who shaped our values in our search for intimacy, independence, love, and family. A powerfully told story, *This House of Sky* is uniquely American—yet also universal in its ability to awaken a longing for an explicable past. “Engrossing and moving.” —Time

the Northwest ” (The New York Times Book Review). The author of the acclaimed *This House of Sky and Mountain* Time provides a magnificent evocation of the Pacific Northwest through his exploration of the unpublished diaries of James Gilchrist Swan, an early settler of the region who was drawn there from Boston in the 1850s. *Winter Brothers* fuses excerpts from these diaries with author Ivan Doig ’ s own journal entries, as he travels in Swan ’ s footsteps one winter along the once-wild coastline of Puget Sound and the Strait of Juan de Fuca. What emerges is a remarkable interaction of two minds, a dialogue across time that links the present with the reality of the American frontier. “ Absorbing . . . A double portrait of striking
