Tarot Deck & Book. Built on the premise that we have the answers we need within ourselves, this classical tarot card deck combines Old World atmosphere with surprisingly modern faces. Demonstrating the evocative and universal qualities of human expression, this is the first set of divination cards to consist entirely of portraits -- most looking directly at the viewer to form a connection between the reader and the card. Each visage conveys an easy understanding of the cards unique meaning, allowing the deck to be used straight from the box without any special knowledge. Complete with a straightforward and informational booklet, the rich, dark colours and sumptuous costumes brings an antique look to this set based on the popular Rider-Waite-Smith card style.

Easy and enjoyable to teach, Touchstone is packed with new and exciting ideas, offering a fresh approach to the teaching and learning of English. Workbook 2A provides follow-up exercises for each two-page lesson of units 1 -6 in Student's Book 2A, allowing for a thorough practice of new vocabulary, structures, and conversation strategies and providing extra reading and writing activities. A progress chart at the end of each unit helps students evaluate their progress and plan further study.
