Engine problems with Hyundai diesel 1.5 CRDi - Car ...

First post, picked up a 2011 Rio CRDI a few months ago at 41k. Already found some great stuff on the forum. Thought I would give you a heads up about an issue I've discovered with a failed engine mount. Car has always vibrated a fair bit at idle which I didn't think much of as it is running fine and put it down to it being a 3cyl diesel.
