This book has turned my life completely around. I used to have a very negative attitude towards those who told me that everyone poops. I was really quick to dismiss their claims that everyone poops as mystical hogwash, a sort of pseudo-scientific feel-good philosophy designed to scam the gullible out of their money.

The big idea of "Everyone Poops" is funny but important. Most kids have a hard time being potty trained and are sometimes embarrassed by the fact that they poop. What the book tells kids (and probably even some shy adults) is to not worry about pooping or be embarrassed by it, because it is a very normal activity that every living thing does.

In this Japanese import, readers are informed on page one that "an elephant makes a big poop, a mouse makes a tiny poop." Later on, they are told that it comes in different shapes, colors, and smells, and that, depending on who is doing it, it is done in different places. The summarizing statement is that "all living things eat, so everyone poops."

Everyone poops is her favorite one! She frequently brings it to me and asks me to read it to her. Its got a lot of interesting animals for her to look at, but also its one of the most simply written books which is nice when are you potty training someone who just turned two. Also the pictures are pretty graphic and its very easy to understand ...
