Pearson Longman World Civilizations Ap Edition

Presents a truly global history. This global world history text emphasizes the major stages in societies' different interactions and assesses the development of major societies. Encompassing social, cultural, political and economic history, the authors examine key civilizations in world history. World Civilizations balances the discussion of independent developments in the world's major civilizations with comparative analysis of the results of global contact.

World Civilizations: The Global Experience ... - pearson.com

Description. Designed for introductory-level survey courses in World History. The primary goal of World Civilizations is to present a truly global history—from the development of agriculture and herding to the present. Using a unique periodization, this book divides the main periods of human history according to changes in the nature and extent of global contacts.
