What's the Ideal Number of Humans on Earth?

Most people don't have a good sense of the scope and scale of biodiversity and common species on the planet. Whatever you think are the most common inhabitants of earth, you're probably wrong. When scientists think of "successful" organisms, they tend to think of ones with great diversity: beetles , for instance, or in terms of ...

What's the most common animal species? | Eukaryote Writes Blog

High precision calculator (Calculator) allows you to specify the number of operation digits (from 6 to 130) in the calculation of formula. The Calculator automatically determines the number of correct digits in the operation result, and returns its precise result. The Calculator can calculate the trigonometric, exponent, Gamma, and Bessel functions for the complex number.

Winemaking or vinification is the production of wine, starting with the selection of the fruit, its fermentation into alcohol, and the bottling of the finished liquid. The history of wine-making stretches over millennia. The science of wine and winemaking is known as oenology. A winemaker may also be called a vintner. The growing of grapes is viticulture and there are many varieties of grapes.

Winemaking - Wikipedia

“best” form of consumption, especially since new ways to consume marijuana are popping up every day.. Smoking is the oldest practice, but vaporizers are becoming rather popular. As far as edibles go, we can now enjoy practically any food we want with THC, CBD, CBG, or even ...

The Best Ways To Consume Marijuana: A Guide

The work of Tyrone Hayes has been so important in exposing one of the reasons U.S. health statistics are so horrible. I cannot imagine the energy and courage it has taken to persist in the face of such ugly behaviors. I wish I could think of a better place for such important work to be done. Alas, I cannot.

The Rothfels Lab stands against racism everywhere ...

The garbage, recycling and garden waste bins are collected by one-person operated trucks. Your bin should be placed on the kerbside before 4am on the day of collection, close to the kerb
